NOMINATION DEADLINE: JANUARY 20, 2012

Please complete the following in support of your nomination:

1. Educator and Student Interaction (Please provide examples of each.)

a.) Has the nominee promoted the advancement of chemistry education, locally or nationally, within educational organizations? If yes, please describe.

b.) Has the nominee promoted teacher training in chemistry and/or chemical safety? If yes, please describe.

c.) Has the nominee directly participated in student-centered chemistry education (i.e., donation of curriculum, involvement in National Chemistry Week, etc.)? If yes, please describe.

2. Consumer Interaction (Please provide examples of each.)

a.) Has the nominee been actively involved in the community to increase consumer awareness and knowledge concerning the value of chemistry and the safe handling of chemicals? (Earth Day, Make a Difference Day, etc.) If yes, please describe.

b.) Has the nominee submitted to consumer-oriented publications in support of chemistry and the safe handling of chemicals? If yes, how, when, and which publications?

3. Government Interaction (Please provide examples of each.)

a.) Does the nominee regularly communicate with state and local governments in representation of their company and/or the chemical industry as a whole? If yes, please describe.

b.) Does the nominee regularly communicate with federal legislators and regulators, such as the EPA, FEMA, and Homeland Security to promote the public policy that advances chemical safety and emergency preparedness? If yes, please describe.

c.) Is the nominee engaged in lobbying efforts aimed at educating and informing consumers and government officials as to the value of chemistry and the importance of the safe handling of chemicals? If yes, please describe.

4. Local Emergency Response Interaction (Please provide examples of each.)

a.) Does the nominee actively support local LEPCs in his or her community and /or on a national basis? If so, please describe.

b.) Does the nominee regularly communicate with local police, fire, and emergency personnel in regards to community preparedness in case of a chemical emergency? If yes, please describe.

c.) Does the nominee regularly communicate with non-governmental emergency response organizations to improve the understanding of the value of chemistry and the safe handling of chemicals (i.e., Red Cross, local shelters, etc.)? If yes, please describe.

5. Interaction with Chemical Industry Colleagues (Please provide examples of each.)

a.) Does the nominee actively promote workplace safety within his or her company? If yes, please describe.

b.) Does the nominee adhere to and promote the Responsible Distribution™ or Responsible Care®? If yes, how long and in what way?

c.) Does the nominee encourage employees to participate in community outreach activities? If yes, please describe.
